I am a collector of autographs and have now collected the autographs of 552 of the 559 men who have played or coached the Toronto Blue Jays. I have 7 to go. 2 are Dominicans Pedro Hernandez (played in 1979 & 1982) and last I heard played for Estralla of the Dominican league. The other is Epy Guerrero a coach in 1981. He is a famous scout and ran a baseball camp. Could you help me contact these men. Or if there is a store in the DR that sells autographs I might contact them. 519 745 5041.
